Activities that Both Occupations Have in Common		Similarity of Focus Occupation to Associated Occupation: 87
Focus Occupation: Urban and Regional Planners (19-3051) Associated Occupation: Geographers (19-3092)		
Work Activities	Exclusivity of Activity	
Advise clients or customers	19	
Advise governmental or industrial personnel	28	
Analyze ecosystem data	69	
Analyze scientific research data or investigative findings	27	
Analyze social or economic data	63	
Collect scientific or technical data	30	
Collect social or personal information	70	
Collect statistical data	47	
Communicate technical information	4	

Compile data on economic, social, or physical factors affecting land use	92
Compile information through interviews	68
Compile numerical or statistical data	38
Conduct field research or investigative studies	52
Confer with scientists	54
Develop or maintain databases	30
Develop policies, procedures, methods, or standards	21
Develop tables depicting data	33
Direct and coordinate activities of workers or staff	3
Direct and coordinate scientific research or investigative studies	27
Draw maps or charts	69
Explain complex mathematical information	30
Interpret charts or tables for social or economic research	70
Maintain awareness of social trends	71
Make presentations	13
Plan scientific research or investigative studies	48
Plan surveys of specified group or area	80
Prepare reports	8
Prepare technical reports or related documentation	22
Recognize interrelationships among individuals or social groups	74
Recommend further study or action based on research data	60
Use computers to enter, access or retrieve data	3
Use current social research	62
Use geographical information system (GIS) software	72
Use interviewing procedures	23
Use knowledge of investigation techniques	16
Use library or online Internet research techniques	21
Use mathematical or statistical methods to identify or analyze problems	30
Use project management techniques	47
Use quantitative research methods	35
Use relational database software	26
Use scientific research methodology	21
Use spreadsheet software	18
Use word processing or desktop publishing software	17
Write research or project grant proposals	33
Write scholarly or technical research papers	36

Not all positions in these occupations will necessarily perform all of the listed activities. The exclusivity rating is an indication of how unique the activity is amongst all occupations. The maximum rating is 100. High scores indicate that only a small number of occupations engage in that activity.
